

Who we are:

Petra Community Housing (PCH) was founded in 1994 by the Greater Phoenixville Area Council of Churches to provide solutions for the lack of affordable housing in the area. Since its inception PCH has assisted over 30 families in their dream to become homeowners & has renovated three local factories into affordable housing for low income seniors and adults with disabilities.

PCH has a reputation for taking excellent care of their facilities and serving their residents as more than a landlord. A committed maintenance staff keeps the buildings and outdoor spaces in excellent condition while a dedicated Resident Services Coordinator assists the residents in securing needed services and benefits.

More than an Advertisement:

When you support Petra Community Housing by purchasing an ad you are making a difference in the lives of low income seniors and individuals with a disability. The purchase of the mini bus is a result of intense fundraising over the past three years. As a nonprofit organization, the Petra budget cannot absorb the operational costs of the mini bus and is therefore continuing the fundraising efforts in support of the annual operational costs. By providing transportation for these residents to local shopping venues and monthly social outings you are making an investment in the lives of these individuals. Your advertisement demonstrates to the community that your business is actively engaged in improving the lives of our citizens.

Petra Community Housing Mission:
“Strengthening communities by creating affordable housing and empowering residents for a quality”
